

A movie poster for 'Les Intrus'. The central image shows a woman in a light-colored shirt and shorts standing in a dimly lit room with a piano and a coffee table. The room is viewed through a window with a wooden frame. On either side of the window, there are large, blurry, ghostly figures of people's faces, suggesting the presence of spirits or intruders. The overall atmosphere is dark and mysterious.

NE CHERCHEZ PAS DE RAISON.
